Spring is almost here, and it is time to finalize planning for the 2018 Lake States TAPPI/North Central PIMA Minnesota golf outing.

As you may know, Lake States TAPPI/North Central PIMA supports the paper industry in Wisconsin and Minnesota through two main functions - by disseminating technical and managerial information at meetings and by funding scholarships and other educational endeavors related to paper and allied industries. During the past year, Lake States TAPPI/North Central PIMA donated over $15,000 to various groups including UW Stevens Point, University of Minnesota, and Fox Valley Technical College. This funding was used for scholarships to students studying paper and bio-product curricula. In 2017, the golf outings raised over $7,000 to help fund these scholarship programs.

The Minnesota golf outing will be held on Thursday, June 21, 2018 at Les Bolstad Golf Course on the University of Minnesota Campus in St. Paul, MN. The Golf cost is $110 ($65 Student/Faculty/Retired) per person and includes golf, cart, lunch, drinks, appetizers & prizes. In order to continue to support the paper industry, we need your support to ensure that these fund raising efforts are a success. Please consider entering a foursome for this year’s event, or come as a single or double, and we will team you up. Registration information will be out soon, so please reserve the date. All proceeds will go to paper industry student’s scholarships.

In addition, we are looking for sponsorship assistance to cover the cost of lunch, hole events, drinks/appetizers after, and the putting contest. For as little as $100, you can help sponsor part of the days’ events. Those sponsoring will be recognized on the course and during the awards ceremony.

We are looking forward to another nice event this year and we appreciate your participation!

If you are willing to help sponsor this year’s event, please contact any of the following:
